

The Spotlight - June 2021

Wherever you are in the world right now, please know that we remain grateful for your friendship as we send greetings from both Florida and Fiji. Our update this month begins with a request for prayer if you're a praying friend, for Jim's flight out of Fiji to the US, which was scheduled for 10th June, has just been cancelled.

As always, we keep reminding ourselves that God is in this too and that all things work together for good, but this doesn't mean we're sitting idly by; we're doing our part to navigate through this challenge and others that are confronting us right now and, of course, we're trusting that God will lead the way as we do so. His Will is more important to us than ours so we really can't lose no matter how things pan out, but I'm sure it goes without saying that we all want him to be able to spend time in Waco with Leanne and Chase and in Florida with Abi, Chris and Evie-Beth before we head to the UK for family time there.

Our next posting is still being finalised so we won't go into any details for now, but for sure you'll hear it from us here before you see anything on FB or anywhere else as it's important to us to always share significant news with family and friends first. Talking of our newsletter, if you've already opted in to keep receiving The Spotlight each month, please know that your name has been added to our updated list. To those who haven't done so yet but want to keep receiving it, please let us know asap as next month is the deadline to be included, although of course, you can always email us at a later date if you find you're missing our missives once they stop!

As is the norm, we now provide a list of TLC World's featured messages throughout the past month with direct links to each one - all you need to do is click on any which interests you. We're always on the look out for bible-based preachers who present God's truth faithfully to include in our 'Stellar Sermon Series', so if you have a link to someone who does just this, please don't hesitate to send it to us so that we can consider sharing it with TLC World family and friends.

Plus we have a [library](#) where you can download books for adults and children free of charge too.

It's time now to say farewell and we do so with a prayer that as you read this you will feel His presence and that He'll continue to keep you and your loved ones safe and well. Love Jim & Elaine
