

The Spotlight - October 2021

Sadly, we write to you today from our sick bed as we're both fighting the effects of the Covid 19 virus. We're thankful that we had our vaccines in the summer because it's said that the effects of the virus are milder for the vaccinated. We honestly can't imagine how horrendous the fight might have been if we hadn't had some form of protection because it's been very tough for both of us, in fact, it still is!

We know, however, that God has our current situation in hand just as He does every other aspect of our lives and for that, we are truly grateful, for without Him we know we could sink. How grateful we are for his reassurance and loving words that serve to keep our heads above water.

"Fear not, for I am with you; Be not dismayed, for I am your God. I will strengthen you, Yes, I will help you, I will uphold you with My righteous right hand." (Isaiah 41:10)

"Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid." (John 14:27)

"The steadfast love of the Lord never ceases; his mercies never come to an end; they are new every morning; great is your faithfulness." (Lamentations 3:22-23)

"May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit." (Romans 15:13)

Sometimes, all we need are His comforting words. May the few above comfort you today as they comfort us.

We leave you now, as always, with links to the past month's 'Stellar' messages from around the world.

And we know that God causes everything to work together for the good of those who love God and are called according to his purpose for them. (Romans 8:28)
