

The Spotlight - January 2023

Happy New Year!

In our October newsletter, we were unable to say where we would be living because all was under discussion and nothing finalized, but we can now tell you we placed our 'Christmas at Jim & Elaine's' plaque - in our new home in Baghdad! Yes, we're back in the Middle East and excited to be here! We see God's plans being rolled out day by day and though we don't know His plans for tomorrow, we know He holds them firm, so we're more than content to let all unfold in His most perfect time. We thank Him always, and now, of course, is the perfect time to say 'thank you' to you too, for any and every prayer you've said for us these past months. In fact, as prayers are the best gift anyone can give and receive, we are not going to be backwards in coming forward, so we ask you to pray for us whenever we come to mind. Actually, we'll be travelling to the UK and the US in January and February so we'd appreciate prayers for safe travels for us, but please know, we don't expect prayer to be a one-way street - we want to bless you in the same way, so never hesitate to ask us to pray for you!

As always, we leave you now with links to the sermons featured in TLC World since our last newsletter. Just click on any that appeal to you or which you didn't catch the first time around to be taken directly to the message featured.

The steadfast love of the Lord never ceases; his mercies never come to an end; they are new every morning; great is your faithfulness. 'The Lord is my portion,' says my soul, 'therefore I will hope in him.' (Lamentations 3:22-24)
